## **Our Mission:**

Computers For Children is dedicated to enhancing the learning opportunities for Western New York school children by increasing their access to current computers & information technology. Over the past 11 years, CFC has donated more than 10,000 computers to area schools and trained hundreds of disadvantaged students on state-of-the-art computer applications.

## **Our Event:**

600 guests will enjoy culinary creations from a diverse selection of restaurants, a wide array of wine selections, a relaxing atmosphere filled with the sound of the area's top jazz musicians and a technology auction featuring products and services from area businesses committed to our efforts.

Guests receive a passport to tour and taste the featured wines. At each stop, they receive a stamp on their passport. When fully stamped, passports are submitted for a chance to win a valuable door prize! We hope to offer a vast selection of sparkling, red and white wines to satisfy our guests diverse wine preferences.
